LUMORA'26

Photography Competition

Organized under Akasha Xplore '26

Organized by the Astronomical Society of Dharmapala Vidyalaya, Pannipitiya

Competition Overview

- Lumora'26 is an astronomy-themed photography competition organized under Akasha Xplore '26. Participants are required to submit creative photographs based on the given official theme.

Official Theme

“Finding infinity in the night sky”

- Participants must submit photographs that creatively represent the beauty, mystery, light, and wonder of the universe and night sky.

Eligibility

- Open to students from Grade 06 to Grade 13 across the island.
- Participants may compete individually.

Submission Guidelines

- Each participant may submit up to 4 photographs.
- File format must be .jpg or .jpeg only.
- image dimensions: 1920 × 1080 pixels.
- Maximum file size: 20 MB per image.
- Color profile: RGB.
- Images must be named using the following format:

ImageNumber_SchoolName_LM

- Example:

01_DharmapalaVidyalaya_LM

Submission Method

- All photographs must be uploaded to a Google Drive folder with “Anyone with the link can view” access enabled.
- The Google Drive link must be submitted through the official submission form.
- Participants must clearly mention the equipment used to capture the images.

Competition Structure

- The competition consists of only one main round.
- After the judging process, the Top 5 participants will be selected for the Most Popular Round.

Rules & Restrictions

- All submitted photographs must be original work captured by the participant.
- AI-generated or AI-enhanced images are strictly prohibited.
- Entries containing watermarks, dates, logos, or text will be rejected.
- Images taken from external sources or copied from other creators are not allowed.
- Organizers may request original unedited photographs for verification.
- Failure to provide original files upon request will result in disqualification.

Judging Criteria

Entries will be judged based on:

- Creativity and originality
- Relevance to the theme
- Technical quality
- Composition and visual impact
- The decision of the judging panel will be final.

Awards

- 1st Place – Trophy & Certificate
- 2nd Place – Trophy & Certificate
- 3rd Place – Trophy & Certificate
- Most Popular Award – Special Certificate

Deadline

- The submission deadline is 10th June 2026.
- Late submissions will not be accepted.

Additional Notes

- Submitted photographs may be used for promotional and exhibition purposes with proper credit given to the participant.
- The organizing committee reserves the right to reject any submission that violates competition rules or ethical standards.
